

## **Press Release:**

02/22/2015

New Jersey Career Center is pleased to announce the formation of Advisory Board Committee. The board members are:

**Danny Barrickman**

**Douglas Stanley**

**Williemae Latimore**

**Mary Thompson**

**Diana Kathary**

The mission of the committee is to advise and assist the Director of the New Jersey Career Center on matters related to nurturing relationships between the school and its graduates and the wider community, to enhance the current student experience within the school, and to ensure that school programs maintain the highest standards of excellence.

The Advisory Board Committee members at New Jersey Career Center will support the school mission to provide a foundation in quality training, education, and job placement services for all students. They serve as advisors to the director of the school and provide advice to ensure that school programs maintain the highest standards of excellence. Through attendance and participation at Advisory Board meetings, selected activities throughout the year, advisory council members demonstrate their volunteer leadership on behalf of the school.

The Advisors through discussions at the semi-annual council meetings and informally throughout the year serve as a sounding board for the director and others, representing the standpoint of alumni, parents, and friends.

The Board serves at the request of the Director. By delegation of the Director of the New Jersey Career Center, the Council will be advisory in nature.
