### **New Jersey Career Center Celebrates Graduates and Success at Commencement Ceremony**

**Millville** – New Jersey Career Center, State accredited career training institution focused on delivering career-focused education, will be holding the graduation ceremony on Wednesday, April,17,2013 at 11:00 AM at the career training center located at 1601 N 2nd St. Suite A in the city of Millville.

The graduates, who all completed their required coursework during the past six months, will be presented certificates and diplomas. In addition to the graduates and their guest , consolors from the One Stop Career Center will attending and expected to speak at the ceremony.

“We congratulates all of our graduates and we are so proud of what our students have accomplished, we are confident that the skills and education they obtained at New Jersey Career Center has given them the foundation and the training they need to be successful in their career and in life,” said Jamil Srouf, President and Director of New Jersey Career Center . “Our students are great examples of academic achievement in our community; this is their day to be recognized for their hard work and determination and we wish them all the best.

New Jersey Career Center is a licensed New Jersey Eligible Training Provider, and have met specific eligibility criteria established by both the State Employment and Training Commission (SETC) and the local Workforce Investment Board (WIB) to be eligible to receive students paid for with public funds.

Qualified students will be able to take one the four Career Track Training Courses with no money out of their pocket. We currently work with New Jersey One Stop Unemployment offices in Cumberland County, Atlantic County, Salem County, Camden County, Cape May County and Gloucester County.
